# The World meets France

## International Business Meetings

### CeBIT 2008, Hanover

Thursday, March 6th 2008

Powered by

Organized by Global Fairs  
and the French Trade Commission

You want to meet important French decision makers on the CeBIT? In cooperation with Deutsche Messe, organizer of the fair, the French Trade Commission and UBIFRANCE invite you to attend the International Business Meetings with French companies at CeBIT 2008.

The Franco-German IT-year will give you the **unique possibility to contact French companies and Networks of Competence** on the biggest international IT fair. Amplify your knowledge of the French IT-market.

**Discover** a large overview of the French offer and the particularities of the French IT market.

**Meet** your potential French business partner in a friendly atmosphere.

**Benefit** from free pre-scheduled meetings in order to easily find your French potential partners.

**Develop** your business relationships with French companies through a concluding Networking-Cocktail which will offer you an additional opportunity for exchanges and for further contacts.

**Register now** to profit from all advantages of our networking and to benefit from personalized pre-scheduled meetings on the 06<sup>th</sup> March 2008. **The participation is free!**
